2014 INTERNATIONAL CONVENTION

#MAIC2014

WELCOME TO THE 2014 INTERNATIONAL CONVENTION: "UNFRANCHISE DNA"

CONVERT SPENDING INTO EARNING

Changing your life is as simple as committing to working hard for the growth and success of your UnFranchise Business. It comes down to investing quality time into your business by implementing the programs and utilizing the resources that Market America | SHOP.COM has created.

The most powerful resource is your attendance at this International Convention. Absolutely nothing will transform you and your business as fully as being at this Convention.

This Convention will showcase the reality of our business and how we have evolved to become recognized as a leader in Internet marketing and online shopping. By enabling entrepreneurs to develop their UnFranchise DNA and Convert Spending Into Earning, anyone can become successful with the UnFranchise Business. Market America is molding the future of online shopping with the integration of SHOP.COM's technology and the people power of Market America.

This is such an exciting time for our UnFranchise Owners and customers as we continue to connect technology with our digital marketing vision to empower entrepreneurs. With our new technology, applications, systems, tools, products, business model and expansion efforts around the globe, the world continues to discover the UnFranchise Business and SHOP.COM.

I am still amazed at the tools available today for all UnFranchise Owners versus when I started this journey over 20 years ago. We've created systems and functionality to make it faster and more efficient to successfully develop an UnFranchise Business. We've simplified the UnFranchise Business Presentation (UBP), making it easier than ever to present the business. We now have Fast Start Kits, product packages, prospecting and retailing videos, mini-websites, mobile technology and so many other facets of convenience that allow our UnFranchise Owners to focus their time and energy on what really counts — building the business and generating a significant, ongoing income.

The new SHOP.COM mobile website will be presented along with many tools and technologies to help expedite and simplify entrepreneurial success. With the expansion of the Emerging Markets Program (EMP), the upcoming launch of Market Singapore and Market Spain and the continued growth in each of the regions — The Americas, Europe and Asia-Pacific — the UnFranchise Business System is changing lives and changing economic landscapes across the world as our global community of entrepreneurs continues to grow. In conjunction with GLOBAL.SHOP.COM, our exclusive company brands can now be accessed by consumers in over 200 countries.

We continue to bring you the latest exclusive company brands backed by scientific research that cannot be found anywhere else like Isotonix, Motives, DNA Miracles and Lumière de Vie. At this International Convention, you will be among the first to learn about the newest product introductions.

Motives may not be as big or as established as legendary cosmetics companies like L'Oreal, CoverGirl, Estée Lauder, or Lancôme — however, as the Motives Instagram page rapidly approaches the 1,000,000 follower mark, not only does Motives have a larger following than each of these cosmetics companies, but we have a larger following on Instagram than all of these companies COMBINED! Loren Ridinger and La La Anthony will present the new additions to Motives, officially introduce the new look and design, as well as teach you how to use virtual parties to increase retailing and recruiting.

As our technology has advanced right alongside the growth of the Internet, we've been able to make huge strides on a global scale. We acquired SHOP.COM just a few short years ago, which catapulted us ahead in Internet marketing and online shopping with its existing platform and functionality. We've continued to strengthen the UnFranchise Business components — information technology, human resources, added executives, etc. — in order to support future growth and development.

Along with the progress of our technology and the aggressive expansion of our business model, Market America | SHOP.COM has further fortified and enhanced our NMTSS to support the growth of every UnFranchise Owner's business through education and training.

The opportunity is bigger and more powerful than ever. Our Shopping Annuity is helping thousands achieve financial success by converting their spending into earning through the Home Advisor on SHOP.COM. This unique tool takes UnFranchise Owners and customers through a virtual home and demonstrates exactly how much money can be saved and earned through Cashback when you replace what you're currently buying with corresponding Market America products. Every time we purchase Market America brands or purchase from the partners on our SHOP.COM websites, we are contributing to our own earning potential, creating BV and IBV.

UnFranchise Owners worldwide are reaching new levels of success. With all these tools and technologies at your disposal, your success is only limited by your ability to think big and execute a proven business plan. In order to be successful developing an UnFranchise Business one must be coachable, cooperative and enthusiastic while making a consistent effort performing the Basic 5 and the result producing activities — using and selling the products, introducing the business (showing the Plan), selling tickets to the next upcoming event and working in the homes to ensure proper duplication.

We have more UnFranchise Owners entering the Million Dollar Club all the time. At this International Convention, you'll learn the techniques from Field leaders who continue to grow and succeed. You'll discover how our next-generation business model offers all the right tools to reach your full entrepreneurial potential.

We will recognize many achievements, as well as introduce even more ways to reach your personal and financial goals.

Welcome to the 2014 International Convention!
I believe in you. Keep growing.

UNFRANCHISE BUSINESS: SPANNING THE GLOBE

THE UNFRANCHISE® BUSINESS IS IN A TIME OF UNPRECEDENTED EXPANSION. WITH MANY IMPROVEMENTS OVER THE PAST YEAR — BETTER WAYS TO MANAGE THE BUSINESS, SPONSOR, SHOP, AND DO THINGS MUCH QUICKER AND EASIER — IT'S NO WONDER EVERYONE AROUND THE WORLD IS WAKING UP AND GETTING ON BOARD! **BY THOMAS JAMES**

From powerful search technology on SHOP.COM and GLOBAL.SHOP.COM to quickly find the products and services consumers want and need, to sophisticated UnFranchise Business Account management tools and training, can it get any easier to build a global UnFranchise Business these days?

MARKET TO MARKET

With the addition of the International Re-entry Center (IRC) as part of the Global Unified MPCP, now UnFranchise Owners can expand their businesses into other regions and have the new region business development also contribute toward their home region. In other words, an UnFranchise Owner from The Americas region can expand their business into the European region and the BV created can also accumulate in their home region BDC.

**Attend the Global Unification Breakout training for business building strategies and further explanation and clarification of the IRC and UGC (Unified Global Center).*

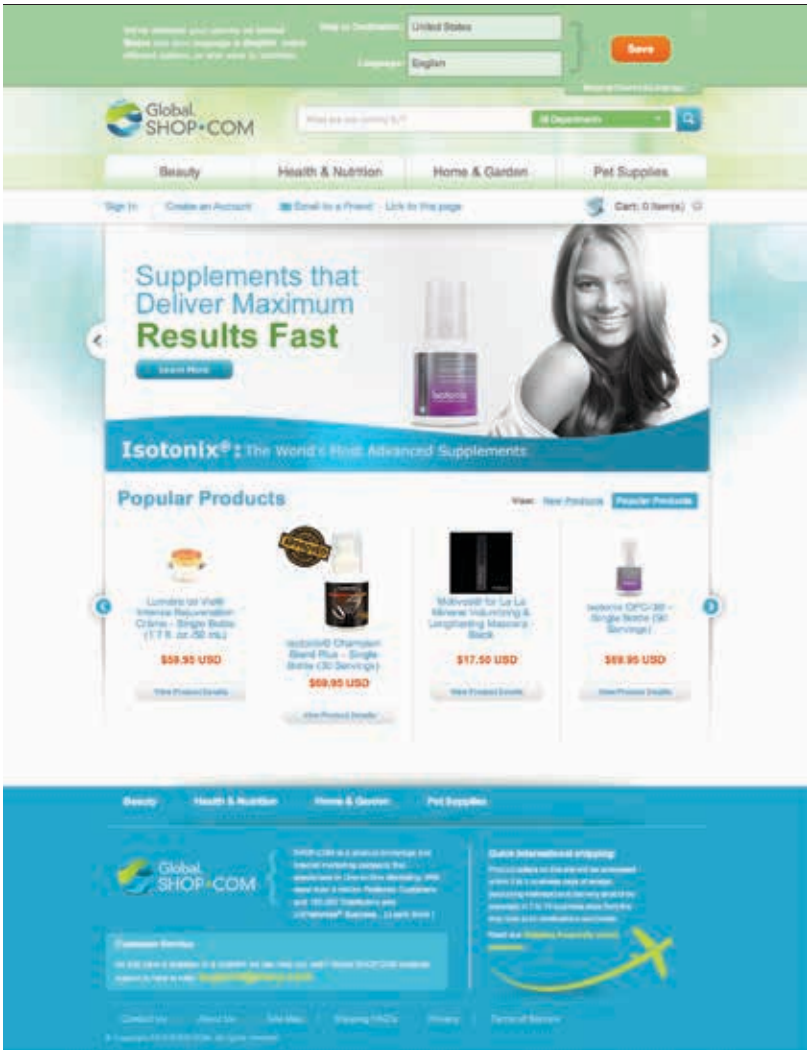
EMERGING MARKETS PROGRAM

The number of countries that have been added to the Emerging Markets Program is a testament to the growth happening in those regions. The program initially began with Colombia, Ecuador, the Dominican Republic and Spain, but now has expanded to welcome Panama, the Bahamas, New Zealand, Singapore and Jamaica to the fold.

By taking advantage of all of the tools, trainings and tips, and maximizing the EMP personal consumption model, UnFranchise Owners within the EMP have proven to be on the fast track — leading their regions to becoming full market countries. In the Asia-Pacific region, for example, UnFranchise Owners in Singapore have demonstrated through their passion and commitment what determination and teamwork can produce in a very short time. Since the beginning of the year, Singapore has grown steadily as an EMP market, and the excitement is mounting as UnFranchise Owners prepare for its official launch in the third quarter of 2014 as a full market country. In the meantime, they are not letting up, and continue to strengthen their solid foundation with the implementation of the National Meeting, Training and Seminar System (NMTSS). Reports indicate that all of the trainings are in high demand, and enthusiasm at the meetings and trainings has been contagious.

THE EMP COUNTRY SPAIN — THE FIRST EMP IN THE EUROPEAN REGION — IS ALSO SET TO LAUNCH AS ITS OWN MARKET COUNTRY LATER THIS YEAR BECAUSE OF THE UNRELENTING BUILDING EFFORTS OF EMP PIONEERS PAVING THE WAY.

The EMP country Spain — the first EMP in the European region — is also set to launch as its own market country later this year because of the unrelenting building efforts of EMP pioneers paving the way.



GLOBAL.SHOP.COM

The cornerstone of any successful UnFranchise® Business is a strong customer base, and each UnFranchise Owner has a GLOBAL.SHOP.COM website and the business-building tools to jumpstart their business internationally. GLOBAL.SHOP.COM gives UnFranchise Owners access to customers around the world, and the ability to share our branded products and all of their benefits. For EMP markets, GLOBAL.SHOP.COM is the best way to connect with customers. They can get complete product information about how our products can help them look and feel better, see product images, and find out about other recommended products. Plus, GLOBAL.SHOP.COM will ship products directly to their door — no matter where they live!

Now UnFranchise Owners can also register customers and ship products to the Canadian province of Quebec on their GLOBAL.SHOP.COM site. Soon, GLOBAL.SHOP.COM will be servicing customers in China. New sales, new customers and more BV equal even more business growth potential! People around the world can be reached in nanoseconds — at virtually no cost — so what could be easier than building a solid, global customer base with GLOBAL.SHOP.COM?

TOOLS FOR BUSINESS GROWTH

How is this phenomenal growth possible? The short answer can be likened to Nike's "Just Do It" slogan. Growing at a distance is now much easier than it ever was. UnFranchise Owners who are growing strong organizations and advancing their incomes aren't sitting by the wayside watching things happen; they're making things happen.

No part of the business has to be limited to the local level. Prospecting can be done online through UnFranchise Business Presentations (UBPs), webinars and showing the Plan. Long-distance sponsoring can be done by utilizing the Partner Now feature on unfranchise.com, and mentoring a new UnFranchise Owner across the globe can be managed through online trainings, corings and webinars.

It is equally as important to harness the power of social networks (Facebook, Twitter, LinkedIn, Pinterest, etc.) and other communications technology, such as email, Skype and webinars. These tools enable UnFranchise Owners to tap into the social networks and circles of influence of millions of people and, much like the ripples in a pool, they can have far-reaching potential for prospecting, sharing product testimonials and growing a global organization.

Taking advantage of the maWebCenter program is another great strategy that is now available in all EMP countries. Becoming a WebCenter owner and selling websites through the program to 20 different countries can generate substantial retail profits and BV potential! Also, all EMP and market countries now have a WebCenter Fast Start Kit, so new business partners can get started with a WebCenter, subscription kit and business-building materials at the same standard price as Fast Start Kits for those countries.

The UnFranchise Business is a global opportunity with no geographical limitation. With global expansion flourishing throughout the EMP, UnFranchise Owners can maximize the product and organizational growth of their businesses now, while building further organizational potential down the road. The driving principle behind the EMP is simple: it's a streamlined plan for every UnFranchise Owner to step out of the physical boundaries of their current market to bring back BV and referral bonuses from other countries, while Market America | SHOP.COM cultivates the full viability of the UnFranchise Business around the world. Now is the time to leverage the UnFranchise Business into a truly global opportunity.

GLOBAL.SHOP.COM GIVES UNFRANCHISE OWNERS ACCESS TO CUSTOMERS AROUND THE WORLD, AND THE ABILITY TO SHARE OUR BRANDED PRODUCTS AND ALL OF THEIR BENEFITS.

OPEN YOUR DOOR TO DELICIOUS

THE LONG-AWAITED SHOP.COM GROCERIES HAS FINALLY ARRIVED, AND IT'S ALREADY CHANGING THE WAY PEOPLE SHOP. **BY HEATHER PIKE**

Fill your pantry and your wallet with the newest feature on SHOP.COM — the much-anticipated SHOP.COM Groceries! This incredible addition to the SHOP.COM shopping experience is the premier choice for shopping for groceries from home. Unlike other purchases, every consumer — regardless of what kind of shopper they are — buys groceries. It's a need that everyone has, and SHOP.COM is fulfilling it with an easy experience and perks such as IBV and Cashback. There's absolutely no reason not to give it a try, and to spread the word!

NO MORE LONG LINES OR CROWDED PARKING LOTS. SHOP.COM GROCERIES OFFERS THE ULTIMATE IN CONVENIENCE FOR AN EVERYDAY NECESSITY, ALL WHILE FUNDING YOUR SHOPPING ANNUITY™ BY BUYING FROM YOURSELF.

SHOP.COM Groceries saves time by offering the opportunity to buy goods without ever leaving home. For a low, flat fee, purchases are delivered directly to the consumer's doorstep. No more fighting the "couponers" for the best deals or dealing with rain checks for out-of-stock items. No more long lines or crowded parking lots. SHOP.COM Groceries offers the ultimate in convenience for an everyday necessity, all while funding your Shopping Annuity™ by buying from yourself.

SHOP.COM Groceries offers UnFranchise® Owners and their Preferred Customers an alternative to buying (and saving) in bulk at traditional membership-based wholesale stores like Sam's Club and Costco. With SHOP.COM Groceries, you'll not only be able to shop from over 10,000 products and the most trusted brand names, you'll receive all the benefits of buying from SHOP.COM and your UnFranchise Business. Shoppers will earn 2 percent Cashback, and UnFranchise Owners will earn an outstanding 15 percent IBV, all with the convenience of never having to leave home.

WHY SHOP.COM GROCERIES?

- UnFranchise® Owners can make strides toward commissions with an amazing 15 percent IBV on SHOP.COM Groceries purchases. UnFranchise Owners also have the option to add their purchases to their Transfer Buying orders to make this happen even more seamlessly.
- Unlike brick-and-mortar wholesale clubs, there are no up-front or yearly membership fees needed to purchase. Shopping is free with no strings attached. This one is big! With the clubs, members start their shopping experience in the red. With SHOP.COM Groceries, the only thing consumers do is earn savings and Cashback!
- You'll get the full cost savings that come with buying in bulk. No more wondering if you're getting the best deal on products you use every day.
- Browse through categories (such as Organic, Gluten Free, Beverages, Snacks, Asian, Italian and more) that are easy to navigate and find exactly what you want without ever leaving home. The site offers a wide variety of goods that is growing every day.
- SHOP.COM Groceries offers $5.99 flat-rate shipping on your entire grocery order. This is especially good for consumers in areas lacking access to healthy, affordable food options.
- Cashback! Where else can you save on bulk food purchases AND earn 2 percent Cashback?
- Purchases can be added to AutoShip and Transfer Buying orders to ensure the pantry is always fully stocked with the family's favorite items. With one transaction, UnFranchise Owners can ensure they never run out of the essentials while simultaneously boosting their IBV accumulation to satisfy the month-to-month accrual option. It really is a no-brainer.

Visit SHOP.COM Groceries today to experience this game-changing addition and spread the word on this amazing benefit to shopping on SHOP.COM.

SOCIALIZE ABOUT SHOP.COM GROCERIES

Here are a few simple ideas for promoting this exciting feature:

- Be a product of the product. This is a necessity no matter how you promote it. Then, simply share your purchases on social media. Post something like, "I just bought my groceries for the week without even leaving my house! They're delivered right to my door, and you get Cashback. Check it out!" and provide a link to your SHOP.COM site.
- Check with members of your organization to make sure they are using SHOP.COM Groceries. Every UnFranchise Owner should be taking advantage of this feature to leverage the 15 percent IBV. It's a simple way to ensure your entire organization is satisfying the IBV month-to-month accrual option.
- Create a SHOPBOX with select groceries. This can be posted directly to a social media page for easy sharing.
- Simply spread the word! This feature is an easy one to sell to your friends and family since it's something people buy anyway. Why wouldn't they want to give it a try?

NEW SHOP.COM UPDATES

UPDATES TO SHOP.COM AND HOW THEY CAN HELP GROW YOUR UNFRANCHISE® BUSINESS.

BY ROXANNE RAYNOR

CUSTOMIZING THE HOME ADVISOR EXPERIENCE

Since the launch of the Home Advisor, UnFranchise Owners have been working diligently to remove negative products from their households and turning spending into earning by funding a Shopping Annuity™. The Home Advisor was designed to help you discover products that can enhance your daily life, and save you money in the process. It allows you to uncover hundreds of dollars in savings hidden throughout your home.

WHAT'S GREAT ABOUT MARKET AMERICA IS THAT IT OFFERS PRODUCTS IN A VARIETY OF CATEGORIES, AND AFTER YOU GET TO KNOW YOUR CUSTOMER, YOU CAN CUSTOMIZE THEIR HOME ADVISOR EXPERIENCE TO A PERSONALIZED VIRTUAL TOUR.

When it originally launched, the free Home Advisor took you on a virtual tour through your home, room by room, recommending products available on SHOP.COM to replace the products you currently buy, thus funding your Shopping Annuity by simply transferring some of your shopping dollars to your own store. You're earning BV to build your business and building an ongoing income. Now, we've accelerated the process to make your Home Advisor experience better and more efficient, which is a huge selling point when you sit down with your customers.

As we've told you before, the secret to making the most of the Home Advisor is asking your customers to do the same. What you've probably run into is your customers not wanting to take the time to sit down and go through the complete virtual tour because they had to go through an entire house, room by room. For a customer who was not interested in home and garden products, for example, this was a huge inconvenience, as they were made to review all Market America-branded products that would be found in a garage. The same is true with customers who don't own pets; they simply don't want to see PetHealth™ products because it isn't something they need. The updated Home Advisor only goes through rooms that are relevant to the household's makeup, which is indicated at the start of the process. Plus, if shoppers don't have time to complete the Home Advisor in one sitting, they can simply save it and the Home Advisor will pick up where they left off the next time they open it.

What's more, after your customer sees what cosmetics and beauty care products they can replace with Market America-branded products, they can instantly add the products to AutoShip or their shopping cart; they no longer have to wait until the end of a whole-house tour. Also, the products they choose to add are now listed all on one page instead of having to click through each one individually after finishing a room, which is a huge time-saver and much more user friendly.

When you meet with your customers, think about what they really need – whether it's home and garden, health and nutrition, cleaning, personal care, or cosmetics and beauty care products. SHOP.COM just recently added a wide selection of top-selling products that people would find in their pantries, which is relevant to every customer. Maybe they are a new parent, in which case you should immediately think of DNA Miracles™. Maybe they have joint concerns and you can recommend Isotonix® or Glucosatrin™. As you can see, each customer has a very specific

SMART SHOPPING

The Home Advisor was designed to help you discover products that can enhance your daily life, and save you money in the process. "Negative products" are products that you could be purchasing from yourself but aren't. Making the change to remove negative products from your shopping habits is an easy way to convert spending into earning.

SIMPLY SHARE

Spread the word about converting spending into earning – it's a message everyone needs to hear. Encourage other business partners to create an ongoing stream of BV and income with the Home Advisor. Show your customers how easy it is to get everything needed for the home in one place and earn money at the same time with Cashback.

set of needs. What's great about Market America is that it offers products in a variety of categories, and after you get to know your customer, you can customize their Home Advisor experience to a personalized virtual tour. After your customer changes to Market America-branded products that they're interested in, and you've helped them uncover hidden savings in their own households while earning Cashback, chances are they'll be back to see what other products they can switch to – giving you the opportunity to give them a virtual tour of another room with the Home Advisor. Repeat customer purchases are the driving force behind the success of your UnFranchise® Business, and the updated Home Advisor is making that easier than ever.

If you haven't completed the Home Advisor tour for yourself, get started from your UnFranchise Business Account. You can also share it with your customers via your SHOP.COM site.

COUPON CODE PROGRAM

There are few better ways to entice buyers than by offering a discount. Discounts appeal universally to new and existing customers, and there's no catch to taking advantage of it. Even better is a coupon code. Rather than just a promotional price, a coupon code feels like a "special" discount – available only to those lucky enough to know the code. Market America | SHOP.COM recently launched a new coupon code program available to all UnFranchise Owners on their SHOP.COM or motivescosmetics.com site. It's an easy-to-use, free and foolproof way to entice customers to buy from you.

With this program, Market America will supply all UnFranchise Owners with a discount code and available date range for their website. The coupon code is customizable within each UnFranchise Owners' UnFranchise Business Account; you can select to have the discount active on one or more of their sites, as well as the desired date range that the code will be active (select either the full date range allotted by Market America or customize a different start/end date within that range). You can also elect to run the discount several times within the time frame. As an UnFranchise Owner, you will fund the discount from retail profit, but this is an investment well worth making as it will very likely lead to repeat purchases.

SHARE THE CODES ON SOCIAL MEDIA, OFFER THE CODE TO A SPECIAL CUSTOMER, OR ENTICE A NEW CUSTOMER WITH AN EXCLUSIVE INTRODUCTORY OFFER — THE CHOICE IS YOURS.

Coupon codes are a no-pressure way to promote the-fantastic products available on your SHOP.COM and motivescosmetics.com sites. All you have to do is get the word out. Share the codes on social media, offer the code to a special customer, or entice a new customer with an exclusive introductory offer – the choice is yours.

You can access coupon codes by going to the Coupon Admin Tool within your UnFranchise Business Account. U.S., Canada and Mexico UnFranchise Owners can find this under the "My Customers" menu. All other countries will find the tool within the "Preferred Customers" menu. This is a game-changing program, so spread the word and watch your UnFranchise Business grow!

With the new updates to the Home Advisor and the recent launch of Coupon Code program, Market America is making your SHOP.COM site bigger and better. Take advantage of these tools to grow your business, recruit new partners, and sign up new customers. The opportunity is yours!

SHOPPING ON THE MOVE

GROW YOUR BUSINESS WITH EASE NO MATTER WHERE YOU GO.

BY LESLEY TKACZYK

Being an entrepreneur means having freedom — the freedom to be your own boss, set your own schedule and make your dreams a reality. Working hard to build a successful UnFranchise Business leads to that coveted time and financial freedom. One of the keys to that success is staying in the entrepreneurial mindset no matter where you go, but what good is the right attitude without the right tools? Market America is committed to giving UnFranchise Owners everything they need to work effectively and efficiently, anytime and anywhere.

Market America's ever-growing range of top-of-the-line mobile applications and websites makes it easy to operate the UnFranchise Business on your terms. Check out these exciting new improvements and additions today to learn how to take your success to the next level from the palm of your hand.

SHOP.COM MOBILE WEB — THE BEST MOBILE SHOPPING PLATFORM IN THE WORLD

As part of an ongoing commitment to continuously improve the speed and convenience of SHOP.COM's mobile shopping experience, Market America has rolled out a slew of enhancements to the SHOP.COM mobile site. Over the next couple of months, users will notice improved speed and performance of the mobile site, but that's not all.

The SHOP.COM mobile site now includes exciting new features like customer reviews, SHOP.COM Groceries and coupon codes. The SHOP.COM mobile site is also now available in Taiwan and Canada, with Singapore and Hong Kong in the works!

These new services and site enhancements serve as a continued commitment to mobile development and making it the greatest mobile shopping experience available. Market America knows what is important to the customer: to be able to find the product they need, then pay quickly and efficiently all while getting a great price and Cashback. No matter where you are, the SHOP.COM mobile website offers the best value and most convenience around.

WHAT'S NEW WITH THE SHOP.COM MOBILE APP

The newly updated SHOP.COM mobile app for iOS and Android has blown away the original application on performance and functionality! With 15 million products available from over 2,500 Partner Stores and Market America's exclusive lines, finding what you want has never been easier. The mobile app allows you to compare prices to help you save money, view product images and information and find products easily, while

MARKET AMERICA IS COMMITTED TO GIVING UNFRANCHISE OWNERS EVERYTHING THEY NEED TO WORK EFFECTIVELY AND EFFICIENTLY, ANYTIME AND ANYWHERE.

offering the security and ease of the OneCart patented checkout process for most stores.

Shoppers using the mobile app can currently search using category keywords (i.e. toys, cosmetics), brands (i.e. Isotonix®, Motives®), specific stores and more. Another great feature is being able to sort search results by price and relevance. Soon, narrowing down your results will be even easier with the upcoming addition of being able to sort by product categories, specific merchants or even OneCart stores.

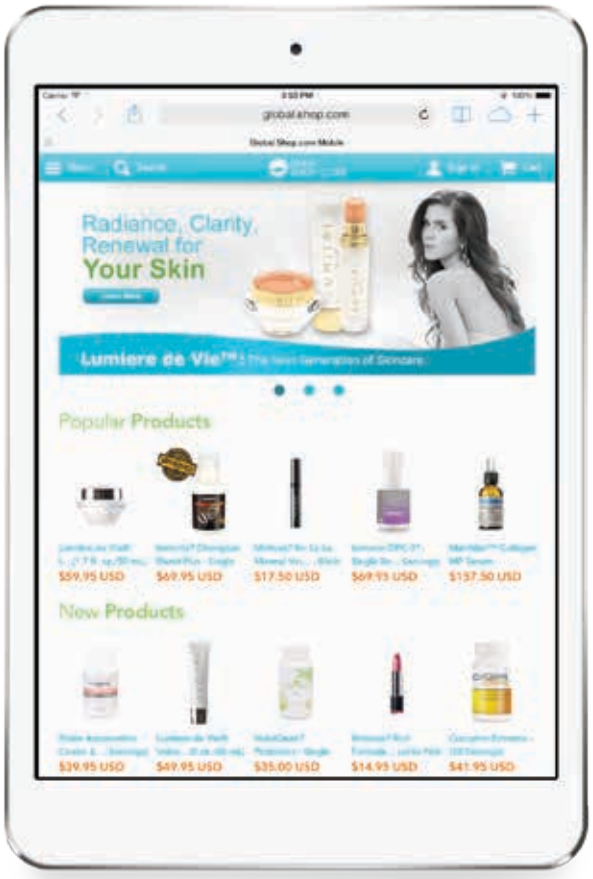
The app's My Account section is also getting better! It not only allows you to view your available Cashback for use on future orders, but it's also now possible to edit shipping addresses and payment methods to speed up future SHOP.COM orders. The ability to invite people by creating an account straight from your mobile device is also back by popular demand! UnFranchise® Owners wanted a way to register someone as a Preferred Customer while on the go and Market America has delivered by adding this feature back into the SHOP.COM mobile app.

Additionally, Hot Deals and the ability to track your orders will soon be added to the app! Look out for those and other enhancements coming soon. Download the new application today to take advantage of the upgraded experience and great features.

SHOP AROUND THE WORLD

UnFranchise Owners from all markets have mobile enhancements to look forward to over the next several months.

- **GLOBAL.SHOP.COM Mobile Website:** UnFranchise Owners and Preferred Customers will be able to access this shopping platform from mobile devices all around the globe.
- **SHOP.COM Singapore:** As Market America expands into Singapore, a dedicated website for this growing market will be ready to support its growth.



PARTNER UP

Market America's Partner Store program is booming! With over 2,500 stores from which to choose, Market America's Partner Stores offer thousands of products from brands and businesses you trust.

Check out the Partner Store booth outside of section 130 for giveaways and exclusive offers running during MAIC2014 only. Don't miss out on all the excitement!

TLS® WEIGHT LOSS SOLUTION

GLUTEN FREE

svetol CLINICALLY RESEARCHED INGREDIENT

TLS® GREEN COFFEE PLUS GARCINIA CAMBOGIA

One of the best ways to burn fat and promote healthy weight loss is to maintain healthy blood sugar levels, and studies have shown that green coffee bean extract can not only help burn fat, but inhibits the conversion of excess sugars into fat in your body. TLS Green Coffee Plus Garcinia Cambogia promotes weight loss by helping your body burn fat and preserving healthy, lean muscle mass. Many weight loss products on the market tout green coffee for weight loss, but TLS has an advantage over many: the inclusion of Svetol** Green Coffee Extract, the most clinically researched brand of green coffee bean extract, which has been shown to be superior to its competitors in promoting healthy weight management and helping to maintain normal blood sugar levels.*

NUTRAMETRIX MILESTONES AND NEW BEGINNINGS

nutraMetrix is excited to celebrate its 10th anniversary this year! Over the past 10 years, nutraMetrix has built a solid foundation, demonstrated by rapid expansion and consistent growth. As the next decade begins, nutraMetrix will redirect the focus from expansion into explosion of success as we lay the groundwork for automation, simplification and international dominance of the healthcare wellness market.

NUTRAMETRIX IS PROUD TO ANNOUNCE THE APPOINTMENT OF DR. ROGER SPAHR AS CHIEF MEDICAL OFFICER.
Dr. Spahr completed his medical degree at Indiana University School of Medicine. He completed his residency in Family Medicine at Community Hospitals of Indianapolis and was Board Certified by the American Board of Family Practice. Dr. Spahr was one of the pioneer nutraMetrix Health Professionals who helped to shape the program when it was first introduced in 2004. He has been an active member of the nutraMetrix Training Faculty for several years and we are happy to now have him as an official member of the team.

NEW WELLNESS GOALS SYSTEM POWERPOINTS

As part of the Wellness Goals Patient Education System, nutraMetrix® is proud to unveil a new set of PowerPoint presentations to accompany the existing posters and brochures. These presentations are intended to be used to educate patients in the waiting room, to benefit both patient and practice by helping patients achieve good health with a successful wellness maintenance plan.

MAXIMIZING SOCIAL MEDIA AT MAIC2014

TAKE A LOOK AT THESE QUICK TIPS FOR MAKING THE MOST OF SOCIAL MEDIA DURING MAIC 2014.
BY COURTNEY CANFIELD

This year more than ever, social media will be an essential tool for following what's happening at the 2014 Market America International Convention. For event attendees who want to stay in the know as well as take part in the conversation, doing so is as easy as 1, 2, 3!

1: KNOW WHERE THE CONVERSATION IS TAKING PLACE

Stay up to date on the latest announcements, photos, and other event-related information by following and interacting with the corporate social media channels.*

Market America:
Facebook.com/marketamerica
@marketamerica @marketamerica

JR Ridinger:
Facebook.com/jrridinger
@jrridinger @jrridinger

**For a complete list of all corporate and brand social media channels, please visit the Market America blog.*

2: USE THE RIGHT #HASHTAG

This year, the official hashtag for the event is #MAIC2014. Use the hashtag to take part in the conversation by tagging event-related posts with #MAIC2014, engage with others tagging their social media content with #MAIC2014, and follow along with what's happening on stage, on the concourse, and even at breakout sessions. During the event, the Market America Social Media Team will be keeping a close watch on all the pics, posts and tweets tagged with #MAIC2014 and reposting some of their favorites!

3: ENCOURAGE OTHER UNFRANCHISE® OWNERS TO TAKE PART IN THE CONVERSATION

Help us spread the word by encouraging business partners, old friends and new acquaintances to follow the corporate social media channels and tag their posts with #MAIC2014. By working together to spread the word and share our event experience on social media, we can make this the biggest, most talked-about Market America event yet!

THE ALL-NEW CORPORATE SITE GOES INTERNATIONAL

Market America unveiled the new marketamerica.com at this year's World Conference. UnFranchise® Owners across the country are using and loving the new site, which gives their businesses a valuable sense of professionalism and credibility. Now, we are introducing the new corporate site to Market Taiwan and Market Hong Kong!

UnFranchise Owners in Taiwan and Hong Kong will soon be able to utilize the full markettaiwan.com.tw or markethongkong.com.hk corporate site with full confidence, as all links and contact information are totally specific for each individual.

- The URL extension matches the UnFranchise Owner's SHOP.COM address — if it is TW.SHOP.COM/chen, then it will be markettaiwan.com.tw/chen.
- Unique Partner Now link ensures UnFranchise Owners are properly linked to new prospects they bring into the business.
- TW.SHOP.COM or HK.SHOP.COM link takes customers to that UnFranchise Owner's shopping website to get credit for all sales
- Contact info on markettaiwan.com.tw or markethongkong.com.hk can be personalized

All UnFranchise Owners should go to unfranchise.com.tw or unfranchise.com.hk > Other Services > Web Portal Admin to configure their new corporate site. Then, share the site with any prospect interested in owning a business. It's that easy!

Coming soon to other markets as well!

GET CONQUER

Entertainment: **Reinvented**

Looking for a new way to interact with the music you love and attract new customers? Exciting enhancements at GetConquer.com put the power to create opportunities for you and your favorite artists — while filling out your summertime playlist — right in your hands.

What's New

- Brand-new fan and artist profiles form the groundwork for a robust social experience
- Sharpen your curator skills by liking, sharing and promoting your favorite songs and videos, and enjoy the benefits your newfound clout brings your business
- Improved search capabilities open up a new world of content waiting to be discovered, and a new Timeline search function makes it easier to find exactly what you're looking for.

Your GetConquer Music Store is waiting for you right now. **Find it at getconquer.com/usa-(yourportalname)** to create your profile today and begin experiencing your favorite music like you never imagined.

SPONSOR A HERO

Through a partnership with the USO of North Carolina, our Faith Cares program will allow YOU to support our servicemen and women! For only $10 each, you can provide a "Patriot Pack" to a service member who is preparing for or returning home from deployment. Packs contain necessities such as toothpaste, shampoo, and other toiletries, as well as a deck of cards, Market America's Awake Energy Shots, a book or other entertainment item. Join ma Cares and Market America in supporting our service members! Stop by our booth and sponsor a hero!
