FLAUNT THE NECKLINE
Both women have the body to pull off this skintight number by Emilio Pucci, but the print is really challenging. Halle's smart to keep her neck bare and focus on earrings. Cat's long hair and necklace are too distracting.

Dress like a star

Not sure how to handle a plunging neckline? Leave it alone! Skip a necklace and opt instead for statement earrings like Halle's diamonds by Bavna. They'll add drama without competing with the sexy bodice.
