

A large, circular splash of vibrant red powder is centered on a white background. The powder is finely textured and has splattered outwards, creating a soft, cloud-like effect. The number '15' is printed in a bold, red, sans-serif font, centered within the powder splash. Below the number, the words 'PIECE BRUSH SET' are printed in a smaller, red, sans-serif font.

PIECE BRUSH SET

**MOTIVES**  
LOREN RIDINGER

Master the art of makeup with this specialized collection, presented in a beautifully crafted zippered pouch with additional pockets to insert your core brushes. From the shapes and angles, to the high-quality, 100% synthetic materials, this set is designed with the elite makeup artist in mind. With versatile face and eye brushes, create the looks you've always imagined. Let your beauty be your inspiration.

# POWDER

---

Full, domed shape picks up and evenly distributes powder on the face. Apply using broad sweeps to set your pressed powder for makeup perfection.

Mineral Dual  
Foundation

Full Coverage Photo  
Finish Powder

Mineral Pressed  
Powder

# SCULPTER

---

Instinctive design glides foundation and powder across the face, reaching the most delicate areas. Expertly contour by sweeping concentrated color along the natural angles, blending seamlessly.

La La Liquid  
Foundation

# CONTOUR

---

Perfectly angled for ultimate control during application, build natural dimension along the cheekbone for a beautiful, contoured complexion.

Blush Bronzer Duo

Pressed Bronzer

3-in-1 Contour, Bronze, and Highlight Kit

# FAN

---

Feather-light brush ideal for applying soft sweeps of color to the cheekbones or lightly lift away excess shadow. Shaped for soft and light dustings of shimmer and bronzer on the face.

Translucent Loose Powder

La La Mineral Bronzing Shimmer Powder

## SWEEPING CONTOUR

---

One-of-a-kind shape allows you to quickly place powder under the cheekbone and along the hairline and jawline, or press and stipple for fuller coverage of loose and pressed powders.

Mineral Dual  
Foundation

Translucent Loose  
Powder

Shape & Sculpt  
Duo

# BLUSH

---

Domed shape evenly distributes color to the cheeks for a naturally flushed complexion. Apply blush in short sweeps to the apples of the cheeks, or highlight the temples, bridge of nose and chin.

Pressed  
Blush

Mineral Pressed  
Blush
