WHAT MAKES THIS PRODUCT UNIQUE?

A large part of conquering your battle with weight management is simply finishing what you started. In our hectic lives, committing to a program and sticking to it can be difficult. The **TLS® Stay Fit Kit** was developed to assist you in staying on track in your weight management journey with the convenient grouping of some of our most proven products. This kit is a great follow-up to the TLS 30-Day Jump-Start Kit.

Inside the kit, you will find the tools needed to help curb your appetite and nourish your body with key vitamins, antioxidants and protein. TLS Trim Tea is a thermogenic slimming tea that promotes healthy weight management. With convenient stick packets, Trim Tea is a travel-friendly black tea for your on-the-go lifestyle. TLS Nutrition Shakes provide 19 grams of protein per serving and over one-third of the recommended daily value of 22 vitamins and minerals per serving. With no added sugar and 10 grams of fiber, the TLS Nutrition Shake is a filling, nutrition-packed snack between meals for your daily life. In the Isotonix Daily Essentials packets, you will find customer favorites Isotonix OPC-3, Isotonix Multivitamin, Isotonix Activated B-Complex and Isotonix Calcium Plus. With Isotonix Daily Essentials Packets, you can be sure that you're providing your body with the essential vitamins, minerals and antioxidants it needs in one convenient package.

When used as directed, these products provide a solid foundation for supporting your metabolism and achieving successful weight management results. Recharge your body and reach your goals with the TLS Stay Fit Kit.*
