GOTRIM® TEA

6610 | Single box (30 stick packs)

A THERMOGENIC SLIMMING TEA*

GOTRIM TEA is a gluten-free, thermogenic slimming tea formulated to promote a multifunctional method to weight loss. Containing GoTrim (Irvingia Gabonensis/African Mango) and black tea extract, GoTrim Tea uses a three-pronged approach to tackle weight-management, targeting satiety, appetite control and metabolic balance. While there are other weight management competitors on the market that use GoTrim, most of them do not offer a product in the form of a tea. The GoTrim ingredient is a patented, clinically tested seed extract for weight loss and metabolic wellness. Take our easy-to-use stick packs with you when you're on the go to enjoy hot or cold.*
