TLS is a customisable, low-glycaemic weight management system that fits your lifestyle. It's not a diet; it's a lifestyle!

Break the Stress and Weight Gain Cycle with **TLS ACTS** (Adrenal, Cortisol, Thyroid & Stress Support Formula) – Code: 6460

- Helps enhance and stabilise mood
- May help reduce occasional fatigue associated with stress
- May help minimise certain stress-related issues (e.g. weight gain, difficulty sleeping, etc.)

Tame Hunger with **TLS CORE Fat & Carb Inhibitor** – Code: 6462

- Helps inhibit carbohydrate absorption in the body
- May help suppress appetite by promoting a feeling of fullness

Target Stubborn Belly Fat with **TLS Tonalin® CLA** – Code: 6428

- Targets stubborn belly fat
- Helps reduce overall body fat
- Promotes lean muscle mass

Accelerate Fat Burning with **TLS Green Coffee Plus Garcinia Cambogia** – Code: 6426

- Decaffeinated
- Helps facilitate the use of stored fat as a source of energy
- Helps reduce body fat

Big Taste, Slim Waist with **TLS Whey Protein Shakes** – Codes:

6709 (Vanilla Flavour), **6710** (Chocolate Flavour)

- rBGH-free and delivers 21 grams of protein per serving
- Promotes healthy muscle growth and muscle retention
- Made with stevia and contains no artificial colours, sweeteners or preservatives

TLS – the last weight management program you will ever need!
